Dear Siter, let you know
just a few lines to let you know

thing now as we are getting Old
We are having very hot weather
the farm crops are very good
But the fruit ~~crop~~ was poor
too much cold rain in blossom
time we have 2 trees roylam -
Cherries no Cherries and 2 trees
Pear trees but no pears. I have about
500 tulip planted and they were
nice when in bloom and I have
about that many Glads. very nice
some of them are still blossoming
I havent ^{seen} Berta Moom for a long
time but as far as I know she is
well and stays alone
