Dear Sister

Just a little late but  
we got company when  
I want to send Et Olof  
Maynard and Mrs drove  
in they stayed 2 days  
we are having nice  
weather now, we had  
a lot of rain in aug.  
so the farmers had quite  
a time getting their  
crop harvested. I got  
your letter and was  
glad that you had a  
nice trip to Norway  
How about Mother's side  
did you find anyone?

I had quite a bit of  
garden this year It has  
kept me busy. I am feeling  
pretty good most of the  
time but am feeling the  
old age when it comes to  
do working I am  
far from as spry as  
you are.

well here I am hoping  
you will have many more  
birthdays Orla's sister  
had one yesterday the 8th  
she was 76

I will have to close  
for this time
