Dear Mom + Dad,

I could never
count the ways
that you have helped
me to reach the
various goals in
my life. My B.Ed.
was no exception
and I do thank
you for all the
support and love

over the past
20+ yrs.

Thank you for
the lovely punch
bowl set and
for the lovely
Party. We had a
lovely time - even
though Peter was
disappointed that
it wasn't a birthday
party!!! Love, Kathleen
