Hej, Hej Grandfather! Hur mör du?
ag är bra. Hopefully I wrote this
correctly. I have a very limited
vocabulary in Swedish, but I'm
improving. Birthday greetings to
you from Sverige! Another day
younger! That's great! So dad tells
me that you are going to Red Deer
for that weekend. That will be nice
to see the clan out there again I'm
sure. I wish I could be there with all
of you guys at home to help celebrate
with you. No doubt the whole Tastad clan
will be getting together at seafood Samis
or something! Say hi to Dick's for me.
I'm quite anxious to hear from you
though because all that I hear about
you is from Dad.

Things for me are rather good.
I'm really enjoying basketball,

and I get to start for every game
so far. It's fun. But I think that
I am enjoying school the best! I
am so thankful for the opportunity
to be here in Sweden, and learn as
much as I can about the most
important thing in my life -
Jesus Christ! There is so much
I don't know, but I am enjoying
studying the bible for myself, and
learning from those around me.

I'm growing so much! This is
something that everyone should do -
it is great! Anyways, I hope that
you have a good trip, come back
safe. Hopefully I will hear from
you soon. I love you.
