

Kenaston, Sask.,

January 17th, 1961.

Dear Sir;

The Provincial Social Credit Convention advised that a four Year program called "RECOVERY" is being planned and is well on its way. Every Constituency is expected to assist with the expense of the proposed program.

The Arm River Constituency Executive kindly ask you for your support by a donation. This will also provide you with a new "Social Credit" which will come through the mail monthly.

Please place your name on the list below and also the amount.

We thank you,

Yours very truly

Louie Rans.
