Dear Mr. Tolson.

Would you consider, to let my father

make good of your loan for the minor ~~the~~

year. He is leaving the big farm at ~~Storley~~

and would like to see him over the close ~~for~~

as. He likes to put the ~~forever~~ down in

what he tested formed. He said he put all

the wisdom back in as what would you ~~not~~

you the living in the form.

Now there are four in the family as they

would accommodate ~~the~~ ^{your} boys when they come

to put in the crop.

Please let me know by return mail

for that letter to know soon.

With best regards to all
