I am dreaming dear of you
Day by day - Dreaming when the skies
are blue, When their gray. When the
silvery moonlight gleams. Still I wander
on in dreams. In a land of love it seems
To Just with You.

Longing for you all the while
More and more, Longing for the sunny
smile, I adore. Birds are singing far and
near Roses blooming everywhere
You alone, my heart can cheer.
You Just You
