Dear Sir:

This is in reply to your recent letter concerning
Mr. Henry Dyrssen and his wife.

The only record we have is a copy of his landing record in 1925. A extract copy of his landing is attached. We have no information whatsoever on his wife. It would appear that he probably met her in Canada after his arrival and we would have no record of her under her married name. If she immigrated to Canada prior to her marriage, we would require her maiden name to conduct a search of our indices. Any files that would have been created concerning Mr. Dyrssen's deportation from Canada would have been destroyed in accordance with Retention and Disposal Schedules applicable to those files.

I hope this will be of some assistance to you.

Yours sincerely,

Sylvie C. Soumis
