Dad enjoyed being a farmer. He believed that farming, despite its hardships and disappointments was a most honest and honorable way for a man to spend his days on this earth. He loved the splendor of the prairie sunrise and sunset and the wide open spaces. He experienced real happiness in watching his crops grow and ripen in the field. He never felt the need to retire for he loved what he did and felt that it mattered, so how could anything be more fun and rewarding. We are thankful to Luthercare Communities for providing a caring and loving atmosphere for father in the later years of his life at Luther Place in Outlook, The Villa Royale and Riverside Terrace in Saskatoon. We are also thankful to the staff of St. Paul's Hospital for the loving care and support they gave to father during this last month. A Service of Remembrance will take place on Friday, May 26, 2006 at 2:00 p.m. at the Skudesnes Lutheran Church near Loreburn, SK with Pastors Margaret Propp and Chris Bishopp officiating. In lieu of flowers, Memorial donations would be appreciated by The Luthercare Communities or The Outlook & District Health Foundation Building Fund.
