Dear Liberal,

I view the role of the President of
the Saskatchewan Liberals as that of
the person responsible for the organ-
ization and activity of our Party.

During the next few years the state
of our organization will be most im-
portant if we are to ultimately succeed
at the polls.

A strong organization will facilitate
the determination and implementation
of party policy.

I believe I have the experience and
the energy to work with all constitu-
encies to help make a stronger and
more active party.

I ask for your support.

Yours truly,

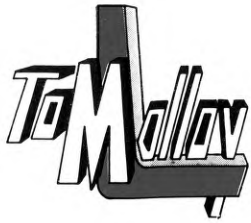

Tom
