

said I didn't want anything except to have everything completed. He just said I was not to worry about it, that he would take care of it.

I said also that I came here only to help him and I didn't have to come here to Skudsvær, but he said to go and he would phone me when to come back. If he doesn't phone I will stay until Friday or Saturday.

I sure hope we can do something but it really seems hopeless.

I hope you are all fine at home and especially you Ma.

I will be home soon after you get this letter.

Lone Walter.
(Elen & Kirsten Sæbo come with us here.)

Monday Morning.

I will add a little before I send this letter. We enjoyed the concert so last night. Today I will go to Jacob C. to do some shopping. Hope I can do it all at one place, so far I haven't spent anything except for the car.

Uncle Alfred said to take anything we want from Petrus house, but so far I haven't been in the house. I have gone by, and it looks in good condition. He said there had been some windows broken, but he had it repaired right away.

Just had a phone call from Eick (where Eddie is staying) asking me to come there 6:30 tonight.

I will take this down town now.

W.T.

(Greetings to you all from all here.)

At Johanna Melhus.
Sunday, Oct 16.

Dear All.

We came here to Skudenes on Friday Oct. 14, took our car with us and came right here to Johanna, she phoned a couple times to Uncle Alfreds and asked us to stay here. Magnus and Agnes also phoned asking us there too and Magnus and Astrid also but they all work so I guess it is better we stay here. The first night we came we had coffee here and all the relatives met here, then Eddie & I were asked to Magnus and Agnes for 7:30. Johannes Haakonsen and his wife and the banker and his wife were there for the evening. Then last night we were all at Magnus & Astrid's.

Today at 5:00 P.M. we go to Aavaldnes Church for a Chior Concert, Magnus Ness and many others we know, will be singing.

Jacob C. Melhus & his wife are down in the Mediterranean for holidays expect them home today or tomorrow. Tonight we are asked to Johannes & Karen Haakonsens, after we come from Church. We haven't seen Lars since we left Sola air port, we met him in Toronto. Eddie is staying here with me, but will stay at Hengaper on our way home from Aavaldnes tonight.

Rev. Hensdal met us at Sola and went directly to Uncle Alfreds & he had a lady there and had supper all ready for us.
