

TASTAD REUNION
Program Committee Report

June 24, 1986

Saturday, June 28th

Supper at the Bessborough, 6 p. m.

M. C. - Bryan - welcome and greeting from the Canadian clan

Grace - Pete declined. Any suggestions?

The only program we have planned is for Earl to lead community singing after supper.

We also hope Mary Rapp or someone from the States will bring greetings from the group down there.

N. B. Earl has arranged for renting (\$20) a sound system with two mikes for both Saturday and Sunday.

Also, we understand that a piano will be rented for the Forestry Farm on Sunday.

Sunday, June 30th

A. Church Service at the Forestry Farm, 11 a. m.

Pianist: Cheryl

Special Music: Kathleen and Helen

Leader: Angus

Speaker: Gordon

We discussed taking an offering for a charity such as World Vision, but made no decision. If the group thinks this should be done, please name a charity.

B. Program, 2:30 p. m.

M. C. - Leverne

Basically we plan to ask the sons and daughters to introduce their families. This will be interspersed with whatever talent volunteers.

Some possible program items (mostly tentative) are:

- * A French presentation involving Kathleen, Alice, Natalie and Garnet's children.
- * Cello numbers - Garnet's boys
- * Trio and quartet - Byrons
- * Comedy - Darryl Utley
- * Skit - Leverne, Rene and kids
- * Mary Rapp is supposed to have something
- * Return engagement of the Tastad Reunion Canadian Singers

We have two questions regarding photography:

- (a) Should a specific time be set aside for taking group pictures? If so, the best time would seem to be following the program and before the 5:30 meal. Do you agree with this plan?
- (b) Do you want any part of the reunion video-taped? If so, can Walter make the arrangements?

We appreciate your comments and suggestions.
