

Royal University Hospital: Sackville

June 7/90

was supposed to have taken this
but owing to some misunderstanding
this note got lost. Dr. Strick

great friend and supporter
of the cause! However, he writes
to recalculate the total a later date.
I make to be as within a reasonable
length of time, he will let things come
and what

June 7th. 8. P.M.

Dr Strick was here had (Part 2)

sign a consent form for Engle - from
- maybe tomorrow. All right "her
brought a meeting to set up an outside
hope all goes well - (one thing

to come (you think we are thankful)

we do the love each other very much!!
