**ACKNOWLEDGMENTS**

The 19ers Community Band appreciates the funding it has received from the Saskatchewan Band Association and the Strongfield Recreation Board, both made possible through Saskatchewan Lotteries. Thank you to both contributors.

Thank you to Loreburn Central School for their cooperation in providing facilities and equipment and for acting as our bulletin board.

Thank you to Brent Longstaff, our guest performer this evening, for taking time to come out tonight and perform for us.

Thank you to Casey Elder Longstaff for taking over as director this past January. Her enthusiasm and humor have made our band practices very enjoyable. We enjoyed her cookies and news of the baby's "development".

Thank you to the Loreburn Town and Country Club for allowing us to use their centre for our concert. We like the size and acoustics for our concerts and the welcome we get from the Seniors.

Thank you to you, our supporters, for coming out to our performances during these past years. We hope to see you next year as well.

Thank you and good evening.
