Dear Mr. Tastad:-

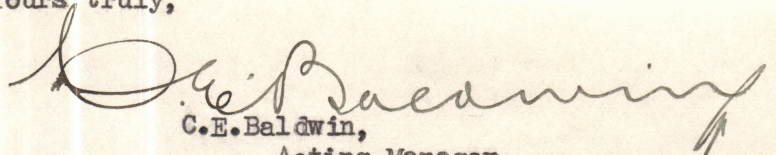

Re: Policy No. 249 954

We now enclose a loan agreement for \$604.41 for completion by you and your wife in the presence of a witness or witnesses. Our requirements are as follows;

- (1) The policy. (Envelope enclosed for your convenience.)
- (2) All lines marked "X" to be filled in, in ink.
- (3) Witness to sign in two places where indicated and to fill in address and occupation. Each signature must be witnessed separately, but the same person may witness both signatures.
- (4) The loan repayment clause on page 2 is to be filled in for some repayment date satisfactory to yourself. (We would suggest that possibly Oct. 15, 1938, would be a suitable date to start repaying the loan.)

Please have this agreement completed and returned at an early date in order that the official receipts may be sent to you.

Yours truly,

  
C. E. Baldwin,  
Acting Manager.
