

Nov. 5/90

Dear Daddy,

I feel I talk on
the phone so often
to you that I
practically forget how to
write letters!!

Try this sheet on the bottom
of the magic bed. If it isn't
satisfactory - you can give
it to Leone for her birthday
- as it will fit their bed!
Do remember to get the
nice Velveta blanket from
the old house. It's probably
on the double bed. It's ^{FAWN}
coloured (I think.) ^{Ask card, if}
^{you can't}
^{send it.}

I thought I would
enclose Chris' letter so
that you can keep it

with the ² other things -

We still haven't given
a donation - in memory of
Mom. Was there anything
specific that you had
in mind - as a family?
Otherwise - I think we could
just divide up between
Kudusnes, L.C.B. I + camp.

Have had a wretched
cold - that won't go away.
But it seems to be breaking
up somewhat today.

Our friend Stephen Collins
is going to Angola (Africa) with
the Medical Mission called
The Lubango Medical Project.
He has a valid Zaire license
which Angola has accepted
so this is really his only

3.
Chance to get back
into the medical
field. And of course,
they need Doctors
so desperately in that
civil-war torn country.

It is like going home for him
too - as he was born there
& lived there until he was in
his late teens. So we wish
him God's Blessing, and trust
that he will be much
happier serving in a capacity
that he loves so much - and
for which he has such expertise.
He is having to find his own
support (\$1200/mo) and the ^{Canadian} Government
matched that sum - so our
Church treasurer is accepting
pledges & donations through
St. Andrews. I thought I

⁴⁻
would mention it to you
in case you were interested
in contributing to this mission.
St. Andrew's would issue receipts
if it goes through the church.

He will be leaving in
early January. You'll probably see him

Will - must get this
parcel wrapped as Angus
is wanting to be off to the

P.O.

We love you dearly and
are looking forward to
your arrival. Margaret
thinks you should stay all
winter - and say you can
have her room. Now
that is a rare offer - on
her part!

God bless. Kathleen.
