Pete: There I'm finished eating - I'm dressed - and it's not 8 am. ~~That's not~~
~~Do you want to leave for church now? (pantomime)~~
~~What are we doing for 2 hours? (pantomime)~~
Could I have another cup of tea?

Ruth: (sighs a sigh of relief & pours more tea.)
I guess I'm getting excited about our anniversary next Saturday. My! The time has gone by so quickly - I can't believe it's been 40 years.

Pete: Do you remember how ^{& sickly} thin I was when we first met? Carl Longman said - he'd seen dead men look better. And ~~And~~ thought I was just walking around to save funeral expenses. To look at me now - I'd have to say that married life has certainly agreed with me (pats tummy!).

Ruth: Do you remember how we used to walk to Deylan Lake to see Jeanette MacDonald & Nelson Eddy movies? And some of those ball games & hockey games were really lots of fun.

Pete: Do you remember that horse ~~you~~ ^{you} had me ride with you on the one that stopped at every mail box? I ~~still~~ ^{still} know that it did.
Ruth: Oh! ~~That's~~ ^{That's} all the time - when you ~~asked me (teasingly)~~
about it I still get embarrassed.

Pete: And we had to change our wedding date ^{for March 1st} to suit those brothers of yours. They had a hockey tournament on the ~~1st~~ 2nd of March.

Ruth: And speaking of my brothers, do you remember - how Andrew & Arthur could tell how long you had been at our place by the ^{amt. of oil burnt in the} coal-oil lamp.

Pete: I wonder if Axel & Dora will be coming for the celebration next Saturday.

Ruth: I sure hope so - since she was my bridesmaid. Carl was our bestman.

Pete: What do you remember about life on the Page Place?

Ruth: Oh! a lot of things - like baking too much bread, ^{at a time} getting my hand caught in the wringer, ^{of the washing machine} bringing Kathleen home from Davidson ^{by sleigh} on Christmas Eve - in a Boley toilet box. Oh yes - and I especially remember the first time Kathleen decided to drive the John Deere tractor - with a sackful of kittens as passengers!

Pete: But do you remember how she used to sing so much! - "You are My Sunshine" - and "what was that lullaby

she made up - to sing to her dollies?

Kathleen - (walks across stage with a doll - or Meggie - singing.) "Poor little baby - B.O. honey." -

Ruth: I think she got her inspiration from the advertisement on the radio - about Lifebuoy Soap!

Pete: In 194th - we moved to the Alton place - and Kathleen was so unhappy to move so far away from Grandpa's and the honeysuckle tree. She thought it must be at least 10 miles away - at least if we used horses!

Ruth: But the house was much larger and we needed the extra room when Dick arrived. He was such a good baby! Do you remember we had painters ^{painting the house} and they didn't even know ^{until a week later} ~~we~~ had a baby in the house!

Pete: It was pretty nice to have a boy around the house. - who has wanted to farm since he could talk.

Ruth: Do you remember how persistent he was when he did anything.
