Dear Mr. Tasted:

This will acknowledge receipt of your letters dated January 13, 1988. Please accept our apologies for the delay in responding to your request for information.

Based on the information you have provided, we can now confirm that we have located a record for Lauritz Tasted and Samuel Tasted. Both of these individuals were naturalized under the Naturalization Act at the District Court in Medicine Hat, Alberta, on February 6, 1913. According to our records, they were farmers who resided in Carlstadt, Alberta. They were Americans at the time of their naturalization in Canada and had previously resided in the United States.

A person born or naturalized in Canada was a British subject only prior to the coming into force of the Canadian Citizenship Act on January 1, 1947. Lauritz Tasted and Samuel Tasted acquired British subject status on February 6, 1913. Furthermore, if they did not jeopardize their British subject status prior to January 1, 1947, they would have automatically acquired Canadian citizenship on that date pursuant to section 9 of the Canadian Citizenship Act.

It is not our policy to provide photocopies of a file when responding to a request for information received from the general public. However, please be assured that we have provided you with all the information in our records which pertains to Gustav Leovin Tasted, Lauritz Tasted, and Samuel Tasted.
