Dear Aunt Clara & Louie Martha

It was so nice to get your card at Christmas time Martha. I have been so slow in writing that I am ashamed. How are you feeling Aunt Clara? I often think of you & pray you are well.

We have had very little snow this winter up until the last month & now roads are getting blocked. I looked out just now and there is a blizzard starting up. The children are walking home  $\frac{3}{4}$  of a mile from where the school bus takes them & I hope they get home soon. It is such a worry when they are out in a storm.

We had a very poor crop. Perhaps you read in the papers of the rust infestation of the crops on the prairies. Some fields looked so nice but there was nothing in the heads at all. We got a little feed & so that

help. We have 23 head of cattle. That  
a wonderful garden & earned a lot  
of vegetables. We also have the sheep  
free full of our own meat & vegetable  
& fruit. Last year we harvested  
happier & our happiness. I  
wish you could have looked them they  
were certainly delicious.

The children have just come in and  
are hungry as usual. I have a deer  
head in the oven which is nearly  
ready for supper. After that the deer  
last fall during the hunting season  
I've got meat. We also have chicken  
& meat in the freezer.

Children are going to be confined  
this year at birth time. So also is  
studying hard

I don't seem your birthday or am  
I sorry about them? I hope I will  
be a happy one & that the year will  
be a year full of blessing & joy  
for you all.

Just love
