

Carl was well liked & there were a lot  
of flowers in remembrance of him.

I have been wondering if I need  
let Kjell Harding know of his death  
Perhaps you would do this for me &  
also let Aunt Klara know.

I do often think of you & hope  
that you & your family are enjoying  
good health. You had high blood pressure  
did you not? How is Aunt Klara?

Please write me real soon because  
I am anxious to hear from you &  
about you all.

Sincere greetings to all.  
Ruth.

P.S. Carl was the only one who was not married

I always felt sorry for him that he didn't  
have a wife or children. He made his home  
with my brother Arthur. Am enclosing a  
notice from the paper regarding his death & our visit  
to Alberta.
