Dear Martha.

I was so sorry to hear of Uncle Gulbrand's death. There is only Aunt Klara left now. All of my ~~to~~ mother's brothers & sisters are dead also.

I received the forms (full makt) and I sent them on to my brothers & to Thora, so Kjell should get them fairly soon. I have already returned mine to him.

Please convey to Aunt Klara our sympathy. I'm sure she feels badly. I had to get the names of the children from my brothers & sisters & some of them live a long way from me. Andrew lives on the coast, you know. However I have heard from all of them so I am enclosing their names for Bo.
