

away or we could drive over & have
coffee with you sometime.

How are you & your family this
winter & Aunt Klara too? My that
was a nice picture of Aunt Klara
& Uncle Gulbrand. They looked
so well for their age. How old is Gulbrand?
He is the youngest is he not?

To-day I was thinking of you &
trying to fit you into our relationships
as it were. Whose daughter are you?

Mina or Ingeborgi? & who are Bo & Kjell
Are they your brothers & what do they
do? I think it would be so interesting
to find out. Of course I often heard
father mention ~~the~~ names of relatives
in Sweden but I can't remember where
they are etc.

By the way I seem to have misplaced
Gulbrand's address. Would you send
it to me? What a lot of questions
but I do hope you don't mind too much.

Greet Aunt Klara from us. Thank
you again for sending us the snap
of Klara & Gulbrand. We appreciated
it so much. I hope this letter finds
you all well.

Sincerely
Ruth
