Dear Sir:-

STAVANGERFJORD MARCH 22nd - We thank you for your letter of the 27th December sending us cheque for \$724.00 covering the round trip booking of yourself and wife, on the above departure.

It affords us pleasure to attach our passage contract C/10787 in your favour, and we would thank you to complete the declaration forms which are stapled to the cover of your passage ticket.

Room 624 for your return to Canada on the Stavangerfjord July 11th has been reserved for you, and we suggest that you communicate with our Oslo office immediately upon your arrival in Norway, so that they can exchange your ticket, which is enclosed, for the actual passengers' contract ticket. This will also ensure your return without any difficulty.

We trust that you will obtain a United States visae good for 12 months as this will also tend to make your return reservations more secure, otherwise you will return to get it in Norway, and the obtaining of same may cause a little delay and perhaps be the cause of your missing your embarkation.

Should there be any additional detailed information you may require, please do not hesitate to get in touch with us again, and oblige,

Yours very truly,
