

Sept. 8/84

Dear Great-Grandma,

I sure like the blanket you sent me the day dad was up for your birthday. Thank-you very much.

I'm going to put the blanket on the end of my bed. It matches my yellow & gold bedroom.

I'm in grade 4 now, Ryan is in grade 2 & Chad is in grade 1. It seems different this year because the principal is my teacher.

We start Sunday School again tomorrow morning.

I hope you had a nice birthday party.

Love,  
Tracie
