

THE LORD'S BOOT CAMP

Hi Grandpa! How are things with you? Well I have finally arrived at the "Lord's Boot Camp". It is a very interesting place. It is in the swamp lands of Florida. It is very humid, wet and there are lots of bugs and gross things. Every day we wake up at 5:30am and go to work until 9:30pm. It is a very long day. I was very nervous when I arrived here but now I am starting to get use to it. I miss mom and dad and all of you lots but it is only 2 months. We will be in Florida for 2 weeks then on to Africa. I hope to receive lots of letters to hear what is happening at home. Every day we take classes in carpentry, brick laying, bible study and music. My favorite part of the day ~~is~~ is personal devotions. It is the time of the day where I can get focused on what I am to do for the day. I have finally realized that I am devoting my summer to God! He is the one who brought me here and he is who I am working for! Well I hope everything is going great for you! I hope to hear from you soon. I love you lots

Karen
