

KAREN MAUREEN TASTAD

PERSONAL

- + On each Baptismal Date gather the family together and then light the next section of the Candle. As you do so tell the child what it means to be Baptized, to be a child of God, trusting only in Jesus Christ and his saving love.
- + When the child is fourteen (which will probably be the Confirmation Year) give your child this letter. Have your child light the remaining section of the Candle and then open this envelope and read the enclosed letter.

GOD'S RICHEST BLESSINGS!
