

Hello! Guess this will be early
which will really be a
change for me, won't it?
But I don't go down town very
often. Hope you like your gift!
The slacks are Nandas which
Dougie was wearing. Fred Jennie
thanks so much. Norman is
having an awful time traveling
last week he even had to get a
jigger to take him to a place
where the tracks were washed out
& get on a train on the other side.
He left early this morning for Bark
& then Humboldt where his cat is. Hope
you folks are fine. How did Father
make out in Moore Jaw?

NEPHEWS, COUSINS

think they're fine--

And I'm convinced
the BEST ONE'S ours!
mine!

Happy Mother's Day,

Mother
