A PRAYER FOR GOD-CLEANSED LIPS

Our Savior once said, "Out of the abundance of the heart the mouth speaketh." This is usually a disturbing verse to most of us. We who are professing Christians do keep our lips clean of those words, expressions and sentiments that are vulgar and profane. Yet even we allow unkind and hasty words to wing their flight from our lips. Such words are not bearers of comfort and inspiration, but rather of poison to sting and wound.

What shall we do, we who are guilty of such? We must pray for God-cleansed lips. Thus David prayed: "Deliver me from blood-guiltiness, O God, thou God of my salvation; and my tongue shall sing aloud of thy righteousness. O Lord, open thou my lips, and my mouth shall show forth thy praise" (Ps. 51:14,15). To be delivered from blood-guiltiness is to be forgiven for Christ's sake. He has taken upon Himself all our sins, including those of our lips. Even though one be the chief of sinners in this respect, yet there is cleansing in the blood of Christ.

We are not to dwell on our sins of the past. Yet we need to realize how terrible all sin is, so that we consequently may appreciate how wonderful is the fact of forgiveness. Not what we have done, but what God has done, will enable us to truly speak His praises. It is in the repentant and believing heart that Christ dwells. When He [redacted]s in a heart through faith, the lips of that person can out of [redacted]bundance of his heart speak God's praises. Let us each one pray David's prayer.

NEWS ABOUT FUTURE PLANS

In the bulletin immediately preceding this present issue, brief mention was made of plans for the future. We are happy to be able to inform you that these plans are going forward. Miss Ruth McFarlane of Gronlid, a member of our first graduating class, will join our staff next fall as full time secretary. This means among other things that in the autumn we shall inaugurate a Sunday-School-by-Mail department, as has been requested by the District Board of Parish Education.

Miss Mildred Joel of Elbow has accepted a position on our high school teaching staff. She is a graduate of Augsburg College, Minneapolis, and has for the past three years been principal of the four room school at Hudson, Ontario. With three full time teachers in the high school department, a well-balanced and complete course of study in residence in grades X, XI and XII will be offered next year.

Arrangements have been completed for the repair of the boys dormitory, as well as for redecoration of both buildings. Negotiations are in progress for the purchase of more furniture.

Additional workers and the extensive repair program involve greatly increased expenditures during the summer and the coming school year. This program of expansion has been decided upon in the definite [redacted]ion that such growth is according to the Lord's will. We count to pray that the funds needed will be forthcoming.

Recently a Victory Bond was donated to S. L. B. I. It may be that others will contribute to our support in this way.

MISCELLANEOUS ANNOUNCEMENTS

Since our last bulletin the students of the Bible department have bid us farewell. We were sorry to see them leave. But we rejoice to know that they are remembering us in their prayers. We assure them that they are not forgot in ours. "Be strong in the Lord, and in the strength of His might."

The program of expansion calls for additional full time kitchen workers and for a full time caretaker. Interested persons are asked to submit their applications.

The principal will be available the greater part of August and September for special services in the congregations of our district. Invitations should be sent soon by those who desire this special contact with the school.

We extend our hearty thanks to the many friends whose gifts made possible another series of Lutheran Bible Hour broadcasts.

SCHOOL ACTIVITIES

The most active student organization at S. L. B. I. is the Luther League. Following are some of the projects sponsored and supervised by it: Home and hospital visitation; tract distribution; the Pocket Testament Movement; the school social gatherings; the Tuesday evening vesper services; one chapel period a week; the bi-weekly Sunday evening programs; the financial support of various worthy causes. Gifts have been sent to Lutheran World Action, the Zion Society for Israel, the Celmosa Mission, the new South American Mission, and the International Y. P. L. L.

Ample opportunity is provided for physical recreation by the sports program. A tennis tournament is under way. A four team school soft ball league is in operation. Of games played with outside teams, the boys soft ball team has won three out of four, while the girls have won their only game played thus far. Croquet and archery also draw a following.

Through oversight the names of the present Student Assembly officers have not been previously listed. These are Leora Caldwell, Alvera Wickstrom, Olive Nodeland, Edward Rostad, Astrid Hauberg and Glen McFarlane.
