Dear Ruth & Pete,

I had a phone call from Sharon letting me know that you are in the hospital. Hope you are feeling much better Ruth and that it won't be long before you can go home. We are all fine and I am looking toward my retirement in Dec. 1991. Then I will be able to spend more time with Sharon & Kristofer. He is sure growing and quite heavy for his to carry.

I on June I went through B.C. by road with my sister Pauline & Mil. It was a nice change & I always went by plane during the long weeks end in August.

2'
went by bus to visit
my brothers & sisters
in Floydminster.

Gary will be finished
working at the end
of Aug. He likes to go
back to Ft. Mc. Murray

He also likes to move
out and live on his
own. It will all depend
on where he will be
working.

The mall where I work
is being torn down
Smaller stores have
been built on the east
side. There is going to
be a larger Love on Food
store near by. Also
a stationary store.

Its quite sad to
see the mall go. As I
have been working
there for 19 yrs.

Heard Mrs Christensen
sold their house and
are living in an apart-

3.

ment near West Edm-
onton Mall.

Carl says he has
been very busy in
construction. He is
a partner with another
man. Carl is think-
ing of going to India
with some other people
who have been there
before. He will probably
go in Jan. or Feb.

Dennis was called
back to 105 St & 51 Ave
London Drugs from
Sherwood because
business was going
down. Then ~~in July~~
he was called to go
to West Ed. Mall store
and work there till
Sept. 10th.

Sharon & Lance
also Kristofer may
come for Thanks-
(over)

giving, I t will be nice
to see Krisofer again.
Sharon says he is
rolling over now. We
will keep Sharon on
her toes.

Heard Lance has
a good crop this year
Guess Dick has the
same too.

One of my brothers
had his crops wiped
out by hail one week
after I left. Don't know
if he had hail Ins.

Now I better close
for now. Will pray
for you.

God bless you
and keeps you in his
care.

Lots of love
Barbara & the
boys.
