

Dear Peter & family

I was so sorry to hear of Ruth's passing, but maybe she's suffered enough. I was glad that Bert & Clara were able to make it for the ~~funeral~~ ^{funeral}. It's going to be hard on you Peter. Ruth was such an asset in the community too. Our sympathy goes out to all of you & your family.

Archie seems to be doing very well in the hospital & so is Hugo. They were always together so that makes it nice. Mary has bought a house in Red Deer so she can be close to her husband.

Dave has done some hunting & was able to get one sheep but he wants to get out again & get an elk or a moose, so he's wishing him luck. It's a good thing that the family like wild meat. I can't eat too much of it.

Well I must sign off. God Bless you all & keep you in ~~love~~ ^{love} ~~hope~~ ^{hope} we'll see you sometime in the near future. ?
God Bless you all.

From, Clara, Archie's family.
